Seal your device inside a padded envelope or small box and enclose this form. There's no collection service — post it to us fully insured, or drop it in. Send the drive, not the machine: if it's a laptop, PC, Mac or a CCTV/DVR recorder, take the drive out and send just the drive — any computer shop can do this in minutes. Exception: an external drive can stay in its own enclosure. Fusion Mac? Send both drives, each labelled. We don't recover mobile phones or tablets.
